Dear St. Hubert Families,

I hope you all had a wonderful weekend!

It certainly was a wonderful weekend here at St. Hubert's as our 8th graders received the gift of the Holy Spirit on Saturday. The ceremonies were beautiful and it was so great to see our 8th graders make the promise to God to continue on their faith journey by sharing the gift of the Holy Spirit with everyone that they meet. Congratulations!!

This week we celebrate Teacher Appreciation Week. I would like to take this opportunity to thank the wonderful teachers and staff here at St. Hubert School. I am very blessed to be able to watch these dedicated teachers work with the children of St. Hubert's to help them to grow academically and spiritually. These wonderful teachers have graciously accepted God's call to teach, love, and care for our children. They are truly shaping the future in one million small-yet incredibly important ways every single day. All of them, in so many ways, make St. Hubert School the wonderful place that it is. Thanks so much for everything St. Hubert Teachers!!

Saturday our 2nd graders will be receiving their First Eucharist. Their happiness and enthusiasm knowing that they can now be an active participant in receiving the consecrated bread and wine is a great reminder to all of us that receiving the body and blood of Christ in the Eucharist is Jesus's way of sharing His love with all of us in a very special way. We understand that when we say "Amen" when receiving this gift, we are really stating a resounding "YES" to Jesus telling him that we joyfully accept His loving invitation to be a part of the Eucharistic family. We are so happy for our 2nd graders and welcome them to the Eucharistic table.

This Sunday we have the wonderful opportunity to honor and thank mothers everywhere for all that they do each and every day. The love of a mother for their child comes nearer to being like the love of God more than any other kind of love that exists. Happy Mother's Day and Thank You to all of the St. Hubert mothers, grandmothers, and Godmothers! You are truly a blessing to us all!!

So many beautiful celebrations ahead!

Have a great week and Happy Mother's Day!!
Mrs. Martin
